

## *This week at Ludlow Elementary School . . . .*

This week at school we have noticed that several of our students have a nasty cold and cough. We are encouraging students and staff to continue good health habits of washing hands frequently, getting a good night's sleep, and practicing good eating habits.

On Wednesday night the school board worked hard in finalizing a budget to present to the Ludlow Community. The LES board will present a budget that reflects a 1.67% **decrease** from last year's budget. It was wonderful to see so many staff members at the meeting along with several parents. Putting together an educational and fiscally responsible budget takes everyone's thoughts.

Next week most classes will be holding parent/teacher conferences. I hope to see many of you next week visiting our school.

Also, this is a reminder that next Friday, February 12<sup>th</sup>, we will have an early dismissal. Students will be dismissed after lunch at **12:00 PM**. We ask parents to please be prompt if you are picking up your child.

I hope everyone has a nice weekend.

Karen Trimboli  
Principal
