

## *This week at Ludlow Elementary School . . . .*

This week LES students attended a presentation by the Association of Vermont Recyclers (AVR). The program was *Chef Suzette, Feedbag Restaurant*. Several third and fourth grade students participated in the performance. This performance was the kickoff to LES's continued thematic unit of study on *Go Green*. Thanks to the Okemo Community Challenge Grant, we are able to continue with this important unit of study.

The school has two fundraising events happening now. One fundraiser is for the PTG. Students are selling raffle tickets for some wonderful prizes. The raffle drawing will take place on October 10<sup>th</sup> at the PTG Harvest Fair. The event is one of the major fundraisers for our school. The proceeds from this event help to sponsor the winter ski program, educational field trips, and assemblies.

The second fundraiser that is taking place at LES is for a school sign for the elementary and high school buildings. We are collecting Hannaford store receipts. If you shop at the Rutland Hannaford you can drop your receipts there. If you shop at the Claremont Hannaford you can drop your receipts off at the school and we will have them delivered to the Rutland store.
